

COMPANY PROFILE 2018

TVM

THERMAL VALVE
MANUFACTURE
(Pty) Ltd

QUALITY COMMITMENT

TVM supplies and services a full range of O.E.M. valves, associated supplies and a number of specialist imported products. We are an experienced 100% black women owned, Level I B-BBEE Company and are also ISO 9001:2008 Certified. We specialise in the manufacture and distribution of new valves and refurbishment of old valves.

TVM is a good partner for customers who require valve solutions, flexibility of production, quality and superior service.

Our strategic partnerships with LVSA, ROMOTAS and PETREL enables us to have serious engineering and PVF (pipes, valves & fittings) capabilities. We have branches located nationwide.

SERVICES

- Valve manufacture & distribution
- Valve Refurbishment on & off site
- Product Design
